Virginia Rent and Mortgage Relief Program (VRMP)

The Virginia Rent and Mortgage Relief Program (RMRP) is designed to support and ensure housing stability across the commonwealth during the coronavirus pandemic. Depending on availability of funds and household need, the RMRP may provide financial assistance for rent or mortgage payments for eligible households. This includes financial assistance for rent or mortgage payments past due beginning April 1, 2020 and onward. Financial assistance is a one-time payment with opportunity for renewal based on availability of funding and the household's need for additional assistance and continued eligibility.

Catholic Charities

Catholic Charities established the Emergency Assistance program to assist those who are experiencing a one-time financial crisis in their lives. We help in the prevention of homelessness and the cut-off of essential utilities. We serve residents of the Diocese of Arlington regardless of their race, creed, religion or national origin.

Assistance is given on a first-come, first-serve basis. Those who are eligible for assistance should email the **Catholic Charities Emergency Assistance office** at EA-CH@ccda.net, providing your phone number and address. We will call you back. To receive assistance, you will be asked to provide a proof of income. For rent, you will need a written lease in your name, a late or eviction notice in your name, and a W-9 form (completed by landlord/property manager). For utilities, you will need a written lease in your name and a past due bill in your name with cut-off notice
